

Curriculum vitae

Anders H. Herlin

Full name: Anders Henrik Herlin

Work address : Swedish University of Agricultural Sciences, Dept. of Biosystems and Technology, P.O Box 103, S - 230 53 Alnarp, Sweden

Telephone : work +46 - (0) 40 41 52 19 / home +46 - (0)46 20 08 09

Fax (work) : +46 - (0) 40 41 54 80

e-mail : anders.herlin@slu.se

Web: <http://www.slu.se/bt>

Date of birth: 2 August 1957

Nationality: Swedish

Doctor of Philosophy, Agriculture (PhD Agric.): Awarded 22 December 1994

Discipline: Animal nutrition and management

Title of dissertation Effects of tie-stalls or cubicles on dairy cows in grazing or zero-grazing situations

Supervisor: Prof. Hans Wiktorsson

Post doctoral / Guest research period. March – April 2004, Royal Agricultural College, Cirencester, UK
March 2011, University of British Columbia, Animal Welfare Program, Canada
March 2013,

Senior lecturer expertise 1999

Associate professor/Docent: Awarded 2006

Current post 2012 – Senior Research Lecturer, Extension specialist in Building function with specialization in livestock housing and ambient environment, about 20-50% research

Previous employment 1999 – 2012, Senior Lecturer (Animal production), Department of Agricultural Biosystems and Technology/Rural Buildings, Swedish University of Agricultural Sciences, Alnarp.
1995 – 1999, Researcher. Department of Agricultural Biosystems and Technology, Swedish University of Agricultural Sciences, Alnarp.
1990 - 1995 Doctorate, Dept. of Animal Nutrition and Management Swedish University of Agricultural Sciences, Alnarp, Sweden
1988 - 1990 Research Assistant, Dept. of Animal Nutrition and Management, Swedish University of Agricultural Sciences, Alnarp, Sweden
1986 – 1988 Product Manager Biotechnology, AB Milkfood, Kågeröd, Sweden
1985 Teacher, Sala Agricultural College, Sala, Sweden

Main supervisor Oleksiy Guzhva, on going (2018)

Deputy supervisor for Thomas Manske, 2002 (part of)
Christian Swensson, 2002 (part of)
Huibert Oostra, 2005
Evgenij Telezhenko, 2007 (part of)
Madeleine Magnusson, 2007

No. publications in scientific journals 11

Curriculum vitae

No. of other publications	About 100
Member of Scientific Societies	ISAH, ADSA, ISAE, CIGR
National and international assignments of importance	<p>15+ referee-commissions in Applied Animal Behaviour Science, Equine Veterinary Journal, Journal of Dairy Science, Livestock and Biosystems Engineering. Reviewed abstracts to the ISAE conference 2010, to the EC-PLF conference 2013.</p> <p>Member of the evaluating committee at SLU of the PhD thesis by Evgenij Telezhenko (2007) and for his thesis for Licentiate degree (2005)</p> <p>Member of the evaluating committee at SLU of the PhD thesis by Hanna Elgåker (2011)</p> <p>Member of the evaluating committee at SLU of the PhD thesis by Muhammad Naem Tahir (2012)</p> <p>Reserve member of the evaluating committee at Lund University of the PhD thesis by Anna-Karin Modin Edman (2007)</p> <p>Reserve member of the evaluating committee at SLU of the PhD thesis by Lotta Löfqvist (2012)</p> <p>Reserve member of the evaluating committee at SLU of the PhD thesis by Elise Bostad (2013)</p> <p>Reserve member of the evaluating committee at SLU of the PhD thesis by Annika Henriksson (2014)</p> <p>Head organizer of the NJF Seminar 367 Horse management - premises and landscape, Alnarp, 18 – 20 November 2004</p> <p>Member of organizing committee of the NJF Seminar 475 Maize in a cooler climate - from seed to feed 24-25 September 2014 Sweden</p>

Curriculum vitae

- International experience: About 30-40 presentations (posters and oral presentations) at International scientific conferences, a few with international co-authors
- Guest lectures at the Scottish Agricultural College, Ayr, UK, 2002, at the Royal Agricultural College, Cirencester, UK, 2004 and at University of British Columbia, Animal Welfare Group 2011
- Partner of an European consortia preparing and submitting an application to EU including participants from Germany, Switzerland, United Kingdom, Ireland and Sweden (1995)
- International study trips and visits: UK (several college's 1995; Wye college; 1998; various nature conservation projects; 2009) The Netherlands IMAG, and PR Lelystad 1990; Wageningen 1997; Denmark several visits to researchers at the research facilities at Foulum and Bygholm), France (several INRA institutes and others 1988), USA (Michigan State University, 1992; UC Davies, 2015), Canada (UBC, 2015), Austria (BOKU, 2016)
- Erasmus teacher exchange with KU, ISA-Lille, France, 2012, 2013, 2015, 2016
- Teacher and organising committee at the IP Erasmus course Sustainable livestock housing with KU, ISA-Lille, France 2014
- Linneaus-Palme program teacher exchange – University of Wollo, Ethiopia 2011, 2013; Coordinator of the program since 2014
- Member of CIGR working group “Cattle Housing” since 2014
- Presently partner in a European working group to develop a MSc Agricultural engineering (SLU, BOKU, TUM)
- Extension experience / communication My present position is partly an extension specialist role. I have over the years taken many initiatives for cooperation with industry and extension services. I have organised regular meetings for the sector where we have communicated our research results. I have also records of presence in the public media.
